**WARRANTY STATEMENT**

**SYSTEM AND COMPONENTS WARRANTY STATEMENT**

Under normal use and service, systems and components are guaranteed to be free of latent defects in material and workmanship for a period of one year from date of shipment. This warranty does not extend to products subjected to misuse, accident, improper application or improper maintenance. Eclipse International Corporation shall not be liable for collateral or consequential damages under any circumstances. This warranty is extended to the original purchaser only. EXCEPT FOR THE FOREGOING EXPRESS WARRANTY, ECLYPSE INTERNATIONAL CORPORATION MAKES NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANT OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. All warranty repairs will be performed at Eclipse International's facility in Corona, California. For service under this warranty, buyer must contact Eclipse International Corporation to obtain a Return Material Authorization (RMA) number and shipping instructions BEFORE returning any system or component to Eclipse International Corporation for repair. Products returned without prior authorization will be returned to the buyer at their expense. Eclipse International Corporation will make the sole determination if claimed defects are covered under this warranty and will repair or replace any defective product in accordance with its own best judgment. Buyer is responsible for all charges incurred in returning the product to Eclipse International Corporation's facility in Corona, California, as well as return shipping charges, fees, taxes, duties, etc.

**SOFTWARE WARRANTY STATEMENT**

Eclipse International Corporation warrants that the software will perform satisfactorily in accordance with the instructions set forth in the Operations Manual. This software is designed exclusively for systems and interfaces provided by Eclipse International. This Warranty does not apply to any other use of this software. You are not entitled to any damages, including but not limited to consequential damages, if the software does not meet Eclipse's Warranty. Should a problem be found in the operation of the software Eclipse would make every effort to correct the problem in the software or supply an updated version of the software at no extra charge. This Warranty is valid only if Eclipse International Corporation provides the software and support services. This Warranty is void if failure of the software has resulted from accident, abuse, misapplication, abnormal use or a virus.

Notwithstanding any damages that you might incur for any reason whatsoever, the entire liability of Eclipse International Corporation under any provision of this Warranty and your exclusive remedy for all of the foregoing with respect to any breach of the Warranty shall be limited to the actual replacement cost of the software.
